

Eastern Shore Disaster/ Mission Trailer

The trailer designated and purchased for the Eastern Shore Disaster Response and Mission is getting close to being stocked and available for use. The folks at Grace UMC have been working at arranging the trailer and setting up the equipment that has been purchased. The trailer would be available for use in the event of a disaster or catastrophic situation here on the Eastern Shore.

Unlike the Conference Regional Trailers, this trailer is explicitly for the use of Eastern Shore requirements. It could and should also be available for mission work within the Eastern Shore by E.S. churches.

But we're not quite there yet! We're still in need of your help. **A list of items that are still needed to complete the trailer and make it fully functional can be found** below. If you would like to make a donation or purchase one or more of these items please bring them to Grace UM Church Office (call first). In order to assure that all of our cordless items are interchangeable, please only purchase manufacturer identified. Questions may be answered by contacting Pastor Don Jamison at Grace UMC at DonJamison@vaumc.org or call 757-665-4783.

EASTERN SHORE DISASTER/ MISSION TRAILER INVENTORY

() indicates quantity needed

- BATTERY MULTI CHARGERS 20 V DEWALT (2)
